

Level 2 Fair Processing Notice

SWaMP2008 is required by law to protect the public funds it administers. It may share information provided to it with other bodies responsible for auditing or administering public funds, in order to prevent and detect fraud.

The Local Government Auditor audits the accounts of this local authority. The Comptroller and Audit General is responsible for carrying out data matching exercises under his powers in Articles 4A to 4G of the Audit Accountability (Northern Ireland) Order 2003.

Data matching involves comparing computer records held by one body against other computer records held by the same body or another body to see how far they match. This is usually personal information. Computerised data matching allows fraudulent claims and payments to be identified. Where matching is found it indicates there may be an inconsistency that requires further investigation. No assumption can be made as to whether there is a fraud, error or other explanation until an investigation is carried out.

The Comptroller and Audit General currently require us to participate in a data matching exercise to assist in the prevention and detection of fraud. We are required to provide particular sets of data to the Comptroller and Auditor General for matching. Details are set out in the Northern Ireland Audit Office's website, www.niauditoffice.gov.uk.

The use of data by the Comptroller and Auditor General in a data matching exercise is carried out with statutory authority. It does not require the consent of the individuals concerned under the Data Protection Act 1998.

Data matching by the Comptroller and Auditor General is subject to a Code of Practice. This may be found at www.niauditoffice.gov.uk.

For further information on the Comptroller and Audit General's legal powers and the reasons why he matches particular information, see http://www.niauditoffice.gov.uk/pubs/NationalFraudInitiative/Layered_Fair_Processing_NoticeLevel3.pdf. For further information on data matching at SWaMP2008, contact Jennifer Currie, Finance Department, Armagh City and District Council.
